

Los Angeles

Dear GBC member,

Please accept my humble offerings
at your feet. All glories to Sita
Padbhajada.

Enclosed is material for
understanding the ~~new~~ role of
initiating gurus in ISKCON.

I think you should keep ~~the~~ after
~~unedited transcripts~~ most of
you left Mayapur, there was a
second meeting with Sudhanu Mahapatra
& that is recorded here. I think
if we agreed the unedited transcripts
& tapes of these talks should
be kept confidentially, for your
own reference. The edited
versions ~~of~~ of the two talks
should be widely distributed
amongst the devotees.

I have also enclosed a very
relevant quote from an essay by
Bhaktisiddhanta Saraswati Maharya.
Revised Copies of the resolutions
to the GBC meetings will also be
distributed to all GBC's & temples.
Please let me know how I can serve
you further.

Your servant
Satsvarupa Das Goswami
