

New Titles by Bhaktipada Books

A milestone in interreligious dialogue literatures...the concern of the book is not sectarian propaganda, but respiritualization of the world, devotion to God, and a sane life."
 Dr. Klaus Klostermaier, Professor of Religious Studies
 The University of Manitoba, Winnipeg, Canada

This precious book is a faithful, lucid and authentic introduction to Srila Prabhupada's *Bhagavad-gita*...Keeping himself in the background, Srila Bhaktipada lets the divine message come through loud and clear."
 K.L. Sesagiri Rao
 Professor of Religious Studies
 University of Virginia, Charlottesville

The personality of Srila Prabhupada is certainly evoked in these pages. Hayagriva has captured the exciting spirit of the wonderful, innocent days of the Krishna consciousness movement as it expanded personally from His Divine Grace...."
 Satsvarupa dasa Goswami
 ISKCON Acharya

Christ and Krishna clearly explains such topics as the resurrection, the soul, reincarnation, heaven and hell, the avatars of God, devotion, the Second Coming, faith healing, scripture, the power of evil, and the universal church.

Srila Bhaktipada provides fresh insight for those wondering how devotion to Krishna relates to Christianity. In conversations with Christian ministers, university professors and students, he shows that both Christianity and Krishna consciousness are deeply rooted in loving devotion to a personal God.

As a Christian ministers' son, a scholar of American religious history, and an internationally famous Krishna guru, Srila Bhaktipada is uniquely qualified to write the first definitive edition of *Christ and Krishna, the Path of Pure Devotion*.

His Divine Grace Kirtanananda Swami Śrila Bhaktipada

This is a joyful, intimate chronicle of Bhaktivedanta Swami Prabhupada's founding of the international Hare Krishna movement, drawn from the daily notebooks of his senior editor. Its lively, immediate style verbally films the grandfatherly "Swamiji," the bhakti-yoga master from India, as he shepherds his American flock through the turbulent, rebellious, zany, hippy counter-culture of the sixties. The scenes: New York's Lower East Side, San Francisco's Haight-Ashbury, and Prabhupada's own New Vrindaban Community in the West Virginia hills. Here at last is a dramatic, on-the-spot portrait of a perfected holyman and his first disciples, revealing that even today the founding of a new religious consciousness is based on faith in a mahatma, a great soul.

ADOPT A COW

INTRODUCING THE MOST REVOLUTIONARY COW PROTECTION PROGRAM IN THE WORLD!

A horrible crime is being openly committed. Our sacred mother, go-mata, is being mercilessly slaughtered. In America alone, over 40 million cows are slaughtered each year. Can we as followers of the ancient Vedic culture stand idly by?

In 1975, His Divine Grace A.C. Bhaktivedanta Swami Prabhupada established the Gita-nagari Farm Community in central Pennsylvania as a sacred place of pilgrimage devoted to cow protection and agriculture. Here, not only is the cow completely protected and her milk fully utilized, but teams of oxen till the soil and produce grains and other wonderful foods. Here, they will never be slaughtered!

The residents of Gita-nagari are beginning construction of a modern 1/2 million dollar goshalla, complete with a methane gas generating facility.

Here is how you can help. We invite you and your family to participate in the most revolutionary cow protection program in the western world. Adopt a Cow.

Plan A—For \$30 each month (\$1 per day) for one year you receive:

- (1) A beautiful 8x10 color photo of your adopted cow
- (2) An impressive gold certificate confirming your year-long membership
- (3) Sweets such as burfi, sandesh and other delicious homemade milk products
- (4) Pure ghee
- (5) Periodic news of your cows progress

- (6) Get acquainted vacation weekend completely free at our guest lodge for the whole family. A wonderful opportunity to visit with your cow.

Plan B—For \$100 each month for one year you receive:

- (1) All of the above, plus:
- (2) A brass plaque mounted on your adopted cow's stall in the new goshalla confirming your adoption

Plan C—For a one-time donation of \$3000 or more, a cow will be under your protection for her entire life! You will receive:

- (1) All of the above, plus:
- (2) Permanent acknowledgement on our Surabhi Plaque which will be mounted in our trophy room in the new goshalla.
- (3) ISKCON International Life Membership including all the benefits.

Plan D—If you cannot Adopt-A-Cow at this time, please send whatever contribution you can to encourage us. In exchange, we will send you a delicious special gift, home made at Gita-nagari.

As you can see, here is a sublime way for all Hindus to show their commitment to one of the basic pious religious principles, cow protection. When your family adopts a cow, you will certainly be fulfilling these duties and not only are you directly giving shelter to one of the cows, but you will be helping to educate the entire world.
